

**18th INTERNATIONAL SYMPOSIUM ON ADVANCES IN EXTRACTION TECHNOLOGIES  
& 22nd INTERNATIONAL SYMPOSIUM ON SEPARATION SCIENCES**

18th International Symposium on Advances in Extraction Technologies & 22nd International Symposium on Separation Sciences will be held on July 3 – 6 2016 in Torun, Poland.

The scientific program includes plenary (PL), keynote lectures (KL), poster sessions, workshops and industrial exhibition dealing with the theory and practice of:

Theoretical and fundamental aspects of extraction technologies

New extraction phases

New technologies and techniques

Sample preparation for clean oceans and seas (specific topic)

Emerging contaminants and current issues

Environmental sampling and analysis

Remote sensing

Food control and analysis; Industrial applications

Natural products, flavor and fragrance analysis

Forensic analysis; Biological sample preparation

Pharmaceutical analysis

Biomedical applications, diagnostic tools

Bioanalytical applications

Microfluidics/Lab-on-a-chip: new devices and techniques

New strategies and innovation for Genomics, Proteomics and Metabolomics

New developments in sensors and assays

Automated analytical systems

Commercial developments and markets

***Organizing Committee***

B. Buszewski (chairman)

R.M. Gadzała-Kopciuch (co-chairman & treasurer)

D. Grzywiński, P. Kosobucki (exhibition)

Sz. Bocian, T. Kowalkowski (audio-video)

J. Kowalska (secretary)

S. Studzińska (accommodation)

A. Kielbasa, K. Krzemińska, M. Ligor, T. Ligor, K. Meller, M. Milanowski, P. Pomastowski, J. Rudnicka, R. Sadowski, M. Skoczylas, W. Skowroński, M. Szultka-Młyńska, M. Sprynskyy, M. Szumski, J. Walczak

The deadline for abstracts submission has been extended to 31.03.2016.
