

**23<sup>rd</sup> INTERNATIONAL SYMPOSIUM ON SEPARATION SCIENCES (ISSS 2017)**

23rd International Symposium on Separation Sciences (ISSS 2017) will be held from 19-22 September 2017 in Vienna, Austria.

**Chairman of the Symposium:** Erwin Rosenberg

**Conference Topics:**

- Advances in chromatographic and non-chromatographic techniques
- New stationary phases for GC & HPLC
- Sample preparation
- Multidimensional separation techniques
- Novel instrumentation in separation sciences
- Emerging detection schemes
- Green chromatography
- Environmental and industrial applications
- Food and consumer product safety
- Natural products, flavor and fragrance analysis
- Separation Sciences in cultural heritage and art analysis
- ‘Omics’ and non-targeted analysis
- Fundamental aspects of separation sciences

**Organising Committee:**

- Erwin Rosenberg (Vienna University of Technology, AT, Chairman)
- Günter Allmaier (Vienna University of Technology, AT)
- Wolfgang Buchberger (Johannes Kepler University Linz, AT)
- Christian Klampfl (Johannes Kepler University Linz, AT)
